# TIGER TIGER'S HILL TRIBE SILVER BEADS

**Please remember these are hand made items:  
weights, quantities, and sizes are approximate and may vary.**

Please order styles marked '10gm' by weight, not quantity. Ten grams is the minimum order on these styles, but above that they do not need to be ordered in multiples of 10 (eg. 12 or 26 grams is ok). Beads marked 'each' are sold by the piece (but priced by weight).
